01 MARCH 2025

**Kevin Marshall**

## FROM THE COMMODORE:

Hey Everyone!

We just had another in a long line of BUSY months at Grand Lagoon Yacht Club! I want to expressly call out our House and Entertainment Committees. They have been working overtime putting together some outstanding events for our members. The Valentines Party and the Mardi Gras "Roaring 20's" decorations were sensational. The Club has never looked better! Who knew our members had so many "flapper" dresses in their closets? Thanks to both these Committees for such an excellent job in putting together these events to take our minds off the cold weather we've had lately!

I also want to make a call out to the many, many volunteers who showed up for the workday on a Saturday! We took on and completed, many additional projects

since we had so many folks with so many varied skills show up. It turned out to be a beautiful day and we got some great projects finished. As I said in my Facebook post, this is what makes GLYC so much fun to be a part of, when you ask for a little help the members turn out in droves! Thanks for that!

I also wanted to let you all know that GLYC is planning two sailing regattas in 2025! The first one is the Gulf Coast Regional Sunfish Championship on April 26 & 27. We are also planning a Hobie Wave Regatta in September. We will be having our first organizational meeting for the Sunfish regatta in mid-March with a lot more details to follow.

And last but not least, a big thank you to our wonderful staff both in the galley and on the floor. You all did a

wonderful job with our many special events in February. We really appreciate your hard work and great attitude!

See you all at the Club!  
Kevin

## The Vice's Voice:

**Mike Guy**

I can't believe we are entering March already!

February was packed with exciting events. I want to give a huge shoutout to Kathy Renfro and the staff, Chef Gregory and his crew, and the House and Entertainment Committees for organizing, decorating, and putting on some fantastic events! If you didn't make it, we hope to see you at a future event! I'm looking forward to seeing how we can top these first two months!

The Entertainment and House Committees have been collaborating and brainstorming great ideas for events and club upgrades throughout the year! The board sincerely thanks them for their continued energy and support!

### Survey Results & Member Feedback

Thank you ALL for your feedback! A big THANK YOU to everyone who took the time to fill out the club experience survey! We have carefully reviewed every response, and with the help of AI, we've

pulled out the top mentions/items to compile a report. We'll be sending it out soon, or you can click "[here](#)" to view it.

The survey results will guide us throughout the year, helping us collaborate and bring you more of what you want! If you didn't fill out the survey—no worries! The board and committees have been listening to your feedback in person and taking notes. Your input is invaluable in shaping the future of the club, and we truly appreciate your engagement!

### New Menu & Drink Additions!

Chef Gregory and his team have been hard at work, not only providing delicious meals but also listening to your requests! A new menu will be launching this month, and we couldn't be more excited!

To add to the excitement, Kathy and her team have been crafting a new drink menu insert! Be sure to check it out soon!

### House Rules Reminder

A copy of the House Rules can be found on the billboard near the restrooms. As we enjoy everything our club has to offer, let's remember to treat fellow members and our hardworking staff with kindness and mutual respect.

### Open Communication

Have comments, suggestions, or concerns? Let's talk! You can always reach out directly to me or any other board member. Would you prefer to stay anonymous? No problem! There is a suggestion box located under the Specials Board for you to share your thoughts.

Thank you all for your continued support and enthusiasm! The club is buzzing with activity, and I'm excited about what's ahead! 🎉

Mike Guy  
Vice Commodore

## FLEET CAPTAIN REPORT:

The boating scene is ramping up as we move into March. Mark Heinold raced in the Catalina 22 Midwinter Championships in Merritt Island, FL on 2/1-2. Mark and his brother battled the Gold Fleet to a respectable seventh-place finish. Further south in St. Pete, Shaun Clements sailed on the Hobie 33 in their National Championships. The good crew of Rumblin finished Third trying to defend their previous year's Championship. Much closer to home Sally and Hal Smith served as Principal Race Officers for two world-class events on Pensacola Bay. First was the Contender World Championship followed by the Pensacola Foiling Week. Our intrepid Commodore Marshall provided race committee support for both events as well. Thanks to Pete and Debbie for representing the GLYC in their tour of Florida Yacht Clubs.

The Club also hosted 38 boaters for the Coast Guard Boater Safety Course (we have another sold-out course on 3/1). Thanks to the Coast

Guard Auxiliary for promoting safe and legal boating for all!

See you on the water!

### Bill Hargreaves Fishing Rodeo Update

The Bill Hargreaves Fishing Rodeo is set for **June 13th–15th**, and we need your help to make this year's event a success!

Our biggest focus right now is sponsorships. We're asking each member to help secure at least one sponsor to support the tournament. These sponsorships help fund the event and, most importantly, support the Sea No Limit Fishing Clinic, which provides an incredible fishing experience for physically and intellectually challenged community members.

Our next planning meeting is on **March 23rd at 3 PM**, and we'd love to see more members involved—more hands make less work! Whether you can help with sponsorships, and logistics, or just lend a hand at the event, every bit of support makes a difference.

Please click [HERE](#) for the Sponsorship form and look for it in upcoming emails.

We do have higher-level sponsorship options available. Please reach out to one of us with any questions and let's make this another unforgettable year! See you at the meeting!

## MESSAGE FROM THE REAR COMMODORE: Captain Scott Walley

Hello all.

Well, let me start by saying a huge thank you for the incredible turnout for our workday a couple of weeks ago. It was a huge help in performing the recent excavation project. You will notice that the area along the west property line behind the dry storage boats has been majorly cleaned up. We plan to stay on top of things and keep the crazy growth controlled. We ask that boat owners in the dry storage do the same. Please help keep the areas clean and tidy. It is not a storage area for miscellaneous things like chairs, crab traps, spare tires, etc. Please store these things in your boat or

somewhere else. We placed a section of the old dock behind each boat. Hopefully, this will benefit owners with boarding, flushing engines, or storing a dock box. We also have the new dock box storage area on the south side of the sail locker, which we improved greatly.

As for the wet slips and dry storage, things are about the same. We have four wet slips available on the east side and nothing on the west side. The waiting list for dry storage contains five members. We will have the new list of wet slip and dry storage members and their contact info posted in the down-under area soon.

After several issues with the dock water, I believe we are finally back to normal. We have a new dockmaster who is assisting me with things, Joe Lindstrom. We are orienting him on things so that he can also assist members in the future.

Well, that is about it for me. Thank you to a great staff for putting up with and taking great care of us. As always please let me know of anything that I may be of assistance with.

Kind Regards,

Captain Scott A. Walley

Rear Commodore GLYC

**TRIVIA NIGHT**

Third Thursday of the Month @ 6:30pm

From which of these are you most likely to catch tularemia; rabbits, birds, or snakes? Not sure? You can find the answer somewhere in this newsletter. Our new editor is just as sneaky as the previous one in hiding the answer, so keep looking.

The featured question and nineteen others were posed to the four teams and 35 "quizzards" who came to play in February's Trivia Night. The 'Nattis occupied the caboose, but the Westies were only one point behind. The Chandelliers and the Ringers fought to the final question to squeak out a tie for the win. Great job, everyone!

The format for the questions is nine multiple-choice, nine short answers, and two catch-up, multiple-point value questions. The next Trivia Night will be Thursday, **March 20**. The cost is only \$10 per team, with no limit on team size. Bring your know-it-all friends or join one of the others for an evening of fun, interesting, and not-too-challenging questions. The fun begins when you arrive, but the questions start at 6:30!

# TAI CHI

**REDUCE STRESS AND FIND BALANCE WITH TAI CHI UNDER THE CLUB!**

**Tuesdays & Thursdays @ 8:30am**

Tai Chi is a wonderfully gentle but effective method of exercise for both mental and physical well-being. According to Harvard Health, a growing body of research is building a case for tai chi as an adjunct to standard medical treatment for the prevention and rehabilitation of conditions commonly associated with age. The goal is not to see how fast you can move but rather to make the moves flow together. You move your whole body as a single unit which helps develop strength and balance. GLYC offers two 30-minute sessions per week. These are on Tuesday and Thursday mornings starting at 8:30. No special equipment is required. Just remember to dress for the weather. These member-led sessions are free but the results are priceless!
